

Work Stoppage by Truck Drivers May Affect Dixon Firms

Pickup, Delivery Service May Come to End Friday, Nov. 29th

A probable work stoppage by drivers of trucks of at least four large trucking firms upon which Dixon, Sterling and Rock Falls merchants depend largely for pickup and delivery service, was reported today. The date for the work stoppage was set for Friday, Nov. 29th, and besides affecting Dixon, Sterling and Rock Falls, will be felt in numerous smaller communities which are served by four major trucking firms.

Local No. 455, International Brotherhood of Chauffeurs (AFL), it was reported, has been negotiating with four major participating freight transportation companies, namely: Rock Island Transfer Co., Keeshin Motor Co., Dohm Transfer Co., and Lambert Trucking Co. on local pickup and delivery operations.

Negotiations Recalled
A federal conciliator was called in to meet with the factions yesterday and negotiations were recessed until Monday, due to a deadlock. It was reported that the union has registered a demand for an increase of 23 cents an hour, with a guaranteed work-week and a differential in pay for night work.

The operating companies, it was stated, have offered a 15-cent increase which has been rejected by the union and the work stoppage date has been set when delivery and pick-up service by the four trucking companies will cease.

In discussing the situation today, Charles Ballard, manager of the Rock Island Transfer Co.'s branch offices in Dixon, said:

"Our company has just completed negotiations for an overload contract which increases our operating cost 25 per cent, and needless to say, this added expense will eventually be passed on to the patron."

Suspend Payments to 150,000 Ex-GI's

Washington, Nov. 20.—(AP)—The Veterans' Administration reported today it has suspended payments to approximately 150,000 ex-GI's for failure to report earnings in school or job training.

The payments, made under the GI Bill of Rights, amount to \$65 monthly for unmarried veterans in school or on job training and to \$90 monthly for married men. More than 1,200,000 veterans draw the allotments.

Tuition payments, made directly to schools, are not affected. Under legislation passed last summer, veterans' payments and earnings are limited to a total of \$175 monthly for those without dependents and to \$200 monthly for those with dependents. In the event those figures are exceeded, the subsistence allowances must be reduced accordingly.

Effective Until Reports Filed
The Veterans' Administration warned on Nov. 1 that the subsistence allowances would be halted unless reports of earnings were received Nov. 5. Suspensions are to remain in effect until the information has been received.

VA said payments have been discontinued to 149,046 recipients and that several branch offices have not yet reported the number of delinquents in their areas. The percentage affected in various districts ranged from four to 16 per cent of the total enrolled in education and job training programs.

"Battling Borins" Back in Divorce Court Again

Chicago, Nov. 20.—(AP)—Nathan Borin, 56-year-old wealthy art products manufacturer, and his pretty 37-year-old wife, Claire, who have appeared before packed courtrooms in scores of wrangles since their marriage in 1933, were back in divorce court again today for the fourth time.

In opening statements to a Superior court jury yesterday Borin's Attorney, Joseph Harrington, made several charges of adultery against Mrs. Borin, who was once a runner-up in a Chicago "Panther Girl" contest for a role in the movies.

Harrington said Mrs. Borin, "had an adulterous relationship" in a New York hotel with a "George Ratt," who was not further identified. Harrington said other acts of adultery occurred in Chicago, New York and Miami, Fla.

The trial before Superior Judge Donald S. McKinlay and a jury of three men and nine women, two of whom are single, involves cross complaints of adultery filed by Borin and his wife. Both seek custody of their five-year-old daughter, Bonnie Joy, who now lives with her mother.

6 Killed, 90 Hurt in Laundry Blast

Greenville, S. C., Nov. 20.—(AP)—Six persons were known dead today and one missing after a violent gas explosion and fire which demolished the Ideal laundry plant and office here last night.

Of about 90 injured thirty were being treated in the General and St. Francis hospitals here and sixty were given first aid at the blast scene in the northwest section of the city, eight blocks from the heart of town.

Damage was estimated at \$500,000 by John Burns, the laundry's sales manager.

Sublette Planning Drive to Purchase Hospital Property

With an organized drive for funds to purchase the Angear hospital in Sublette yet to get under way, the temporary committee in charge of the fund reported last night that voluntary contributions totaling \$1,000 have already been received, contributions which it termed "very liberal."

A goal of \$20,000 has been set for the drive by the townspeople in Sublette who hope to buy the hospital from the present owner, Dr. Clifford Hartman, and convert it into a community activity.

The \$20,000, they estimate, will not only provide for the purchase of the property, but also take care of redecorating both the interior and exterior of the building. The hospital has a 10-bed capacity at the present time.

Temporary Committee
Fifteen Sublette citizens, leaders in the projected drive for funds are scheduled to hold a meeting next week to formulate plans for canvassing the community to raise the necessary money to put across the plan. Members of the temporary committee in charge of the fund now are A. W. Bulfer, Gilbert Theiss and Jerald Hicks.

The hospital was operated by Dr. Hartman until his entry into the navy three years ago, but has been closed since that time. Dr. Hartman has returned to his practice in Sublette but does not have sufficient time to devote to the operation of the hospital now, it was explained.

Army Starts Mailing Terminal Leave Bonds

Washington, Nov. 20.—(AP)—After weeks of delay, the army has started mailing out millions of terminal leave bonds to former GI's.

By Christmas, war department officials said today, it is expected that the bulk of a current backlog of some 4,000,000 claims will have been paid. Most payments are in five-year treasury bonds but cash is used for odd sums.

The army's delay in mailing bonds since the first applications were received in September was laid to a shortage of envelopes, now ended.

The navy's disbursing office at Great Lakes, Ill., has been paying navy veterans right along, and has settled more than 500,000 claims.

Woman, 39, Gives Birth to 21st Child Recently

New London, Conn., Nov. 20.—(AP)—Mrs. Joseph Fine, 39, wife of a Portuguese-Negro construction worker at the U. S. navy submarine base here, was back at her household tasks today six days after giving birth for the 21st time.

She said she was "proud and happy" over the arrival of the newest girl in the family, Carol, as she was over the birth of her first child, 23-year-old Manuel, now a sailor stationed at Norfolk, Va.

Seventeen of her children are living.

New GOP Congress to Write New Rent Control Formula; Few Boosts

Washington, Nov. 20.—(AP)—A prediction that congress will write a new formula for controlling rents, with provision for increases "where inequities exist," came today from Rep. Wolcott (R-Mich.).

He also forecast that the new GOP-dominated congress will continue government rent controls—at least until next July 1.

Wolcott is to become chairman of the house banking committee which handles price and rent control legislation.

His statement to reporters came shortly after OPA was represented by a high official as "strongly opposed" to a general increase in rent ceilings but favoring decontrol of transient hotel rents. This official said any flat percentage rise in rents will have to come from congress, if at all.

Whether rent controls are ex-

IAA Chief Demands Regulation of All Industrial Unions

Speaks For Agriculture in Outlining Need For Labor Union Curbs

Chicago, Nov. 20.—(AP)—Regulation of "industrial and labor organizations" to protect "the very economic life of our nation" was urged today by Charles B. Shuman, president of the Illinois Agricultural Association.

In a speech prepared for the IAA's 32nd annual meeting, Shuman, of Sullivan, Ill., declared: "The country has been torn by industrial-labor strife of such bitterness and of such a selfish nature that farmers and the public in general have been shocked and disgusted."

"Agriculture has demanded and will continue to insist that reasonable regulation be applied to both industrial and labor organizations so that the very economic life of our nation will not be threatened again by bitter strife of the type we have witnessed since V-J Day."

Shuman's Plea
Shuman said industry should offer "to labor a program of reasonable security that cannot be based only on high hourly wages, but also upon stability of employment and high productivity."

The IAA leader said that "in return for this type of security, labor should be willing to give assurance to industry that it will produce more efficiently and will keep its agreements."

Declaring that in the present year there has been "such confusion of agricultural policy that no one can blame farmers for being disturbed and resentful," the Sullivan, Ill., farm leader said the government should take action to stabilize price levels.

Demand Price Action
"We insist that the federal government take such action as is necessary to make price supports effective and at the same time discourage the accumulation of ruinous surpluses," Shuman said.

"Consideration should be given to coupling the support price program with an effective soil conservation program."

Shuman said improvement of parity computation formulas should be considered and declared "a practical program for rebuilding our soil is a pressing need."

"Long neglect, coupled with the all-out efforts of the war years has drawn up our soil resources until a truly critical situation exists," he said.

Shuman told the IAA that farmers had deep interest in the attainment of permanent world peace, but pointed out that "if we

Lee County Farm Is Bought for \$71,599

One of the largest and most successful sales of modern improved farm land in Lee county was consummated yesterday in Ashton township when a farm owned by the late Judge James Watts and Attorney Elwin Bunnell, consisting of 253 acres, all of which is highly improved, was sold by Attorney John Dixon of this city, specially appointed master-in-chancery, to settle an estate. Rutt and Johnson were the auctioneers and a very large crowd was present at the farm.

Kenneth Kaeker of Steward was the purchaser of the farm, paying \$283 per acre, which represented the highest price bid per acre at any public farm sale in Lee county, totalling \$71,599. The farm which is located southeast of Ashton, was formerly known as the Greese farm. Attorney Courtney Ryan of the firm of Dixon, Devine, Bracken & Dixon represented the defendant parties interested in the sale, while Attorney Gerald Jones represented the plaintiff parties.

14-Year-Old Boy Kills Stepfather

Bloomington, Ill., Nov. 20.—(AP)—Sheriff Earl Richards today said 14-year-old Roy Cutter told him he killed his stepfather last night while the man was arguing with the youth's sister.

Victor E. Geraci, 34, a freight handler, was wounded fatally, Richards said, by a rifle shot fired through the window.

The sheriff and his deputies apprehended Cutter later, Richards said he had a .22 caliber rifle with him.

Richards quoted the youth as saying "I did it. I don't know why."

Cutter was charged with manslaughter.

U. S. A. Transport Plunges in Alps; No Deaths Reported

Paris, Nov. 20.—(AP)—Dispatches from Grenoble said today that air and land parties searching for 11 Americans, including a big-adier general and three officers' wives whose C-54 transport crashed yesterday high in the southern French Alps, had returned to Grenoble and reported failure thus far in the quest.

The rescue crews have found no trace of the plane or its occupants, the Grenoble advices said. These accounts conflicted with a report of U. S. army air force officials in Frankfurt earlier, which said two U. S. bomber pilots had spotted the wreckage and circled it to guide ground parties to the site.

The plane went down on a flight from Munich, via Marseille, to Pisa. The Frankfurt information was that it had been sighted on a 12,000-foot plateau.

A radioed message from the stricken craft soon after the crash said five of the passengers were seriously injured. The radio then became silent. Freezing Alpine temperatures caused concern for the victims.

General on Plane

Reports from Vienna said five persons aboard the downed craft were hurt, but that there were no fatalities. There was no information.

OPA Hikes Price of Sugar by Half Cent

Washington, Nov. 20.—(AP)—OPA increased the price of raw sugar today and notified housewives and other buyers it soon will boost the retail price of the refined product by about a half cent a pound.

The agency estimated the increase will add about \$50,000,000 to consumers' annual food bills.

The retail price boost will come when grocers get sugar refined from the higher-cost raw sugar.

OPA authorized an increase of 36.5 cents a 100 pounds for raw cane sugar and 40 cents a 100 pounds for semi-refined sugars.

It said the price hike, second in two months, was required under terms of the sugar buying agreement between the commodity credit corporation and the Cuban government covering the 1946 and 1947 Cuba sugar crops. This calls for an increase in the price paid for Cuban sugar in ratio to advances in this country's index of retail food prices.

OPA said the new price increase applies to both cane and beet sugar to maintain the established price differentials between the two products.

Russians Ready to Reveal Troop Data

Lake Success, N. Y., Nov. 20.—(AP)—The United States called on all members of the United Nations today to lay "all cards" on the table and make complete reports on the numbers of their troops both at home and abroad.

Without formally accepting the Soviet Foreign Minister V. M. Molotov on the troop reports question, Sen. Tom Connally (D-Tex.) declared the United States agreed that complete information on troop dispositions should be made public.

Connally and Molotov spoke before the 54-member political committee of the United Nations assembly, which was called into session to debate a proposal asking information on allied troops and bases in non-enemy territory.

"If it is the view of the committee that these reports have value, the United States is prepared to furnish the information," Connally said. "We think all cards should be laid on the table. We think that the Soviet Union should go beyond this resolution and have a report on all troops throughout the world—whether in Russia proper, in border states or anywhere."

Criticism Answered
Connally said, however, that the U. S. delegation would need time to study a new proposal which Molotov offered to substitute for Russia's original resolution and which would broaden it to include troops in enemy states as well as non-enemy states.

No Word from Lewis

More Miners Stay At Home; Complete Shut-Down is Seen

Over 125,000 Are Idle in Nation; Illinois Total Hits 17,500

Pittsburgh, Nov. 20.—(AP)—Amid signs of a possible complete shut-down in the soft coal industry by tomorrow, thousands more miners stayed away from their jobs today.

Reports from the fields showed more than 125,000 men were idle and paralysis was gradually creeping over the country.

The number of idle was approaching one-third of the nation's estimated 400,000 United Mine Workers soft coal diggers.

John L. Lewis' midnight contract "termination" deadline was only a few hours away. The miners hold traditionally that if there is no contract, there's no work.

The government contends the contract with the union remains effective for "the period of government possession." The mines were taken over to settle a mine stoppage last spring.

Mine idleness reached into 11 of the 25 soft coal producing states, with the big Appalachian area the hardest hit.

The field reports showed the following idle:

West Virginia, 24,000; Kentucky, 30,000; Pennsylvania, 20,300; Alabama, 17,000; Illinois, 17,500; Ohio, 8,000; Indiana, 5,700; Virginia, 4,000; Arkansas and Oklahoma, 800, and Iowa 250.

The stop-work movement continued to spread despite the federal court order issued in Washington to keep the mines operating. Many miners in the field expressed the view, "you can't mine coal with an injunction."

In the Pennsylvania field, pit committees displayed mimeographed copies of a letter the AFL-United Mine Workers president sent the government Nov. 15 declaring the union's contract

(Continued on Page 6)

Local Coal Bins in Fair Shape If Miners Quit Pits

The coal bins of Dixon's industries and the local school system are not brimming, but, in the event of a nation-wide walkout of the soft coal miners, operations here would continue indefinitely, with some of the industries reporting they are in better shape than they were a year ago when the miners quit the pits.

That is the conclusion drawn from a survey conducted here by The Telegraph this morning.

All industries, as well as the school system, reported that winter coal orders have been on file for some time, and some indicated that they received coal shipments as late as last week.

A. H. Lancaster, public school superintendent, said that coal bins in the schools here were fairly well filled at the schools where there are large bins. The smaller ones will need more coal within the next few days, he said, adding that coal is available now to fill their immediate needs. The schools' bins are filled during the summer months, but insufficient storage space is available to stock a complete winter supply.

INU Supply Fair
The Illinois Northern Utilities Company reported its supply was fairly adequate, indicating that the company is in somewhat better shape than it was last spring at the time the miners last walked out. No definite figures were available, but the estimates were made after consideration of present stocks and the amount of coal thought to be en route.

The Reynolds Wire company reported enough coal on hand now to take care of operations for 30 days. The company was unable to say, however, how much, if any, of the amount on order is now in the process of being shipped here.

Some coal has been received this week by the Dixon Distilled Water Ice company, where the stock is reported fairly low. A complete shutdown of mining operations would force the plant

(Continued on page 6)

As unofficial work stoppages in the soft coal mines continued to spread, John L. Lewis, president of the United Mine Workers, played a silent hand on question of obeying Federal Court order against the nation-wide strike heralded to begin at midnight tonight. He is shown in the lobby of a Washington, D. C. hotel leisurely scanning the newspaper.

CIO Blasts Federal Coal Injunction in Convention Meeting

Delegates Approve Anti-Labor Injunction Plank; Claim Law Violation

Atlantic City, N. J., Nov. 20.—(AP)—The CIO convention today condemned a federal court order designed to head off a full-scale coal work stoppage as a "clear violation of the Norris-LaGuardia act."

The delegates approved unanimously an anti-labor injunction resolution to which they added: "We condemn the action taken by the federal government in obtaining a sweeping injunction against the United Mine Workers of America."

"This is a clear violation of the Norris-LaGuardia act. No anti-labor injunctions can dispose of the problems now confronting workers who see their earnings shrink before the fast rising cost of living."

"American democracy cannot

Plane Carrier Hit By Blast; One Dead

San Francisco, Nov. 20.—(AP)—Navy experts searched the aircraft carrier Antietam today for something to explain the explosion that shook the 27,000-ton Essex class vessel yesterday, killing a civilian workman and injuring 30.

Workmen expressed belief the shock, so violent that men two decks above the explosion were injured, was caused by a spark from a chisel on a chipping gun which set off fumes from an alcohol storage tank.

Capt. Philip Lemler, commandant of the Hunters Point navy yard where the blast occurred, said it was almost certainly an explosion of some kind of gas.

The ship was alongside a dock going through routine overhaul when the explosion went off.

Gravely Sick War Hero Gets One of Last Wishes -- His Citizenship

Detroit, Nov. 20.—(AP)—From his bed in Dearborn veterans' hospital, George Kovach, 39, expressed gratitude today that one of his last wishes is a reality.

Kovach, who served at General Eisenhower's European headquarters during World War II, was granted citizenship in a bedside ceremony yesterday conducted by Federal Judge Frank A. Picard.

"I'm happy, I'm so happy," Kovach murmured weakly as the judge handed him his citizenship diploma.

Veterans' organizations and VA officials had joined in an effort to win citizenship for the gravely ill ex-GI, a native of Austria, after he had made known his wishes last week Judge Picard cut red tape to convene court at his bedside.

Kovach was brought to the

Tension Increases Throughout Nation on Lewis' Decision

Miners' Boss' Lawyers in Eleventh Hour Huddle as Deadline Nears

Washington, Nov. 20.—(AP)—John L. Lewis' lawyers went into an eleventh hour huddle today as the midnight deadline approached in his showdown fight with the government.

The United Mine Workers chief must decide before today ends whether he will withdraw his contract termination notice that always means a shutdown in the soft coal mines.

Lewis, who may be courting legal penalties if he fails to do so, left his suburban home early but did not go to his office atop the union's building.

Neither did he return to the swank Carlton hotel suite around the corner which he engaged for the duration of the current crisis.

Stayed at Hotel

Yesterday Lewis spent most of the day at the Carlton, reading newspapers and saying nothing.

At issue as the midnight deadline approached were varying interpretations of the duration of the mine workers' contract with the government.

Lewis served notice last week that he was ending the contract at midnight tonight after Secretary of Interior Krug, federal boss of the government-seized mines, took the position that the new contract demands should be pursued with the private owners of the mines—not the government.

Krug insisted the current contract could not be re-opened for the negotiations. At the government's request a federal court forbade Lewis to keep the cancellation notice in effect.

Krug Stays in Office

As the crisis headed up with thousands of miners laying down their tools in nearly all parts of the coal fields, Krug kept to his office. He stayed in touch with the situation in the fields, however, and aides said his door was open to Lewis at any time.

President Truman, vacationing at Key West, Fla., also held himself ready for any quick decisions in the struggle.

More than 114,000 miners—over one-fourth of the nation's coal producers—already had halted work.

In the crisis:

1. The Army announced that troops will be ready, if needed to maintain order.

May Cut Lighting

The government readied a call to governors of all states east of the Mississippi for "brown-outs" and rationing of electricity and manufactured gas—a move affecting millions. Iowa, Missouri and Minnesota may also be included.

3. Republican and Democratic lawmakers joined in a rising chorus of demands for labor-management legislation when the new congress meets Jan. 3. There were some scattered demands from lawmakers for an immediate special session.

Lewis Has Until Midnight
Under Lewis' own formula, the present government-union con-

AMVETS Will Urge Censuring Lewis

St. Louis, Nov. 20.—(AP)—Delegates to the second annual convention of American Veterans of World War II (AMVETS), which opens here tomorrow will be asked to endorse a resolution censuring the actions of John L. Lewis, president of the United Mine Workers, in connection with the coal mine tieup. Jack Hardy, national commander of the AMVETS, said today.

In a statement before the organization's executive committee, Hardy said Lewis has "sabotaged all the legitimate gains of labor, and defied the American government and the people's attempts at maintaining national peace and order." He said he would ask the delegates to "take action to back the American people on the road toward industrial and labor peace."

He termed the impending coal strike "a direct assault upon free enterprise" and predicted the cessation of mining operations "will create skyrocketing prices which the laboring man will have to pay for."

AMVETS will urge Lewis' removal from office and the establishment of a national peace and order.

Decatur Vies for Soybean Honors With Taylorville

Decatur, Ill., Nov. 20.—(AP)—It was bound to happen sometime. This business of Taylorville, Ill., calling itself the "soybean capital of the world" is too serious for Decatur to take lying down so it is on its feet, patience exhausted and ready for a scrap.

The official and even the general civic pride of Decatur had been sorely bruised for sometime about Taylorville's official bragging but it was deemed good strategy to ignore the "upstarts" in the nearby Christian county seat. Comment here about Taylorville's claim ranged from a contempt to naughtiness until the recent visit of Clinton P. Anderson, secretary of agriculture.

Several proud residents of Decatur said they heard no less a dignitary than Secretary of Agriculture Anderson himself refer to Decatur as "the soybean capital of the world." Now it's up to Taylorville to disprove that statement and show that Secretary Anderson was just mumbling through his hat.

The Decatur Parent-Teacher Association has taken a hand. It has arranged a radio debate on the issue over station WSOX, Decatur for 7 p. m. tomorrow. The PTA wants the Taylorville team to laugh off if it can the claim that the largest soybean processing plant in the world is located right here in Decatur.

In this corner for Taylorville will be Mayor A. W. Spencer, Attorney Charles E. Bess and Farmer Paul Peabody. And for Decatur will be Mayor James A. Hedrick, Walter McLaughlin, president of the American Soybean Association and a former state director of agriculture and Mrs. Clifford Smith of the PTA.

The judges all Rotary club presidents will be Roy Conrad of Taylorville who is accused here of first making Taylorville's "ridiculous" claim on the ground that Christian county grows the most soybeans. Kenneth Flint of Decatur and Sam Bane of Clinton.

Honored at Shower

Mrs. Leon Medlar, Mrs. Ernest Mumma and Mrs. Lida Drexler were hostesses at a post-nuptial miscellaneous shower given in honor of Mr. and Mrs. Leslie Bergstrom at the Black Hawk grange hall Saturday night. Mrs. Bergstrom is the former Mary Medlar. There were 76 guests present for the most enjoyable occasion. Mr. Bergstrom, who is employed with the Cudahy Company at Rockford, is at present attending a training school in Indianapolis, Ind., and was unable to be present.

A program under the direction of Mrs. E. Milverstedt, the groom's mother and Lloyd Strauss of Byron was presented consisting of music by a string orchestra readings and skits. Refreshments were served by the hostesses and the newlyweds were recipients of many useful and beautiful gifts. Among the guests was Miss Nellie Medlar, sister of Mrs. Bergstrom, who was home from Cornell college at Mt. Vernon, Iowa.

Praise Service

The annual Praise service of the Presbyterian Missionary Society will be held at the manse Thursday afternoon at 2:30. The program will be given by out-of-town guests including vocal solos by Miss Stanley Conner accompanied by Miss Alice Bailey, both of Hebron, and a talk by Mrs. G. A. Papperman of Harvard.

Dorcas Society

Mrs. Otto Dick will be hostess to the Church of God Dorcas Society Thursday afternoon with Mrs. Delos Andrew in charge of devotions.

Ladies Aid

The Ladies Aid Society of St. Paul's Lutheran church will be entertained Thursday afternoon at the home of Mrs. J. W. Henningway at Mississippi farms. Mrs. Harry Shindle will be the assisting hostess.

Turkey Dinner

Shirley Tilton Post No. 97 of the American Legion will hold a stag and turkey dinner at the Municipal coliseum Thursday evening at 6:30.

Personals

Mrs. Arthun Diver, Mr. W. Hulise, Albert Lundstrom and Miss

False Alarm

Decatur, Ill.—(AP)—Decatur school officials studying alarm systems for school installations went to the Fire department for a siren demonstration and got one that made everybody jump—including the fire truck.

When a substitute driver pushed a button on a fire truck the visitors and the firemen jumped—for safety—and the truck jumped right through a closed door.

The firemen instead of pushing the siren button accidentally pushed the motor starter. The truck was in gear and bashed its nose through two door panels before it was stopped.

Anna Muddock were visitors Friday in Oak Park.

Mr. and Mrs. W. L. Pickering and son Billy were guests Saturday of friends in Urbana and attended the Illinois-Ohio State football game.

Mr. and Mrs. Erwin Case have moved to Dixon and are residing at 815 College ave. He is employed with Montgomery Ward Company.

Mr. and Mrs. Ralph Thomason are moving this week to the residence at 504 South Fourth street vacated by the Hugh Wilson. Mr. and Mrs. John Hillea who purchased the house which the Thomasons are vacating will take possession at once.

Rev. and Mrs. F. L. Austin will spend Thursday in Chicago.

Mr. and Mrs. Laverne Bradford and children spent the weekend with her parents Mr. and Mrs. T. A. Gaede in Elgin.

The Berean Society of the Church of God had charge of the Sunday evening services. William Dick was the speaker. Young people from Rockford and Dixon churches had part in the program.

Thumble Club

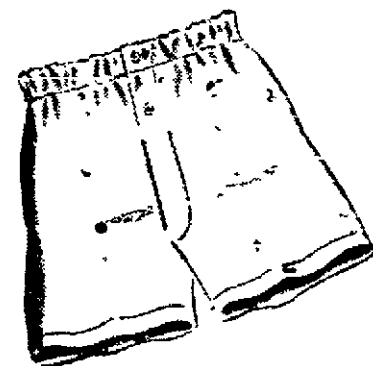

Mrs. Frank T. Rogers will entertain the ladies of a thumble club Thursday afternoon.

—Dixon women of taste and discrimination use Dermatint Rouge sold only by Vogue Beauty Salon, 3rd floor Dixon National Bank Bldg.

Treasury records show that Washington overdraw his first term's salary by \$1,042.69 and left office without drawing \$3,908 that was still due him.

Travel Club Takes Imaginary Journey Around Rome, Italy

An imaginary trip to Rome was taken last evening by members of the Dixon Travel club when they met at the Loveland Community House to see the colored pictures which Homer Schildberg took there while serving with the armed forces. Several passes and a furlough spent in the Italian capital city afforded him an opportunity to secure some excellent views of the interesting sites in Rome.

Included in the fine collection were pictures of the ancient Roman Forum, the ruins of the old Coliseum and scenes along the Tiber river and the Appian Way. Of course, no visit to Rome would be complete without seeing the world famed St. Paul's Cathedral, largest church in the world. Also pictured were the Vatican Palace and the gleaming white marble memorial to Victor Emmanuel II and the tomb of the Italian unknown soldier of World War I.

Mr. Schildberg very interestingly described the points of interest in each picture and gave the historical background connected with the different churches, tombs, statues, ruins, etc.

Miss Cornelia Conibear, club president, conducted the business session and it was decided to have a gift exchange at the December meeting. Members are asked to watch the paper for further announcements about this meeting.

During the social hour tasty refreshments were served and informal visiting was enjoyed. Hostesses for last evening's meeting were Mrs. Forrest J. Trautwein and the Misses Ruth Chiverton and Dorothy Atkins.

The club members wish to express their thanks to Mr. and Mrs. Schildberg for presenting such an interesting program.

SHOWER GIVEN FOR POLO GIRL TUESDAY

(Telegraph Special Service)
Polo, Nov. 22—A miscellaneous shower was given last Tuesday night for Lolita Horton, daughter of Mr. and Mrs. Charles Horton of Polo, who will become the bride of Richard Hoyle, son of Mr. and Mrs. Walter Hoyle of R. F. D. 1, Dixon, on Dec. 1.

Games were played by the ladies, and the men spent the evening at cards. The bride and groom-to-be opened many lovely gifts from the following: Doris Hoyle, Ruby Hoyle, Carol Hoyle, Jim Hoyle, Mr. and Mrs. Charles Laidig, Mr. and Mrs. Orville Hoyle, Mr. and Mrs. Flave Plock, Mr. and Mrs. Bert Hoyle, Mr. and Mrs. John Hoyle and children, Myrna and Denny, Mr. and Mrs. Frank Randall, Mr. and Mrs. Frank Brown, Mr. and Mrs. Charles Norton, Mr. and Mrs. Harold Gerdes, Mr. and Mrs. Rodney Naker, Mr. and Mrs. Art Missman, Alice Missman, Mr. and Mrs. Walter Hoyle, Roger Gundry, Bobby Worman and Mrs. Don Worman.

MOTHERS' STUDY CLUB
The Mothers' Study club of the Christian church will hold a meeting, Friday evening at the home of Mrs. Fred Warren, with Mrs. William Smith as co-hostess. The program for the evening will be topics from the magazine "Two to Six." Members are asked to bring discarded clothing for the Mountain Mission school.

BIRTHDAY PARTY
Mr. and Mrs. John Roe entertained Tuesday evening at their home in Grand Detour in honor of Mrs. Harry Roe's birthday anniversary.

NORTH CENTRAL PTA TO CONTINUE BAZAAR

The committee members who planned and supervised the annual North Central P.T.A. bazaar held at the school last week have announced that the bazaar will be continued on Friday afternoon, Nov. 22 from 2 to 4:30 o'clock in the sewing room located in the west building of the school.

Many attractive items including hand-made aprons, luncheon sets, bedroom slippers, towels, mittens, clothespins, bags, dolls and other suitable gifts for Christmas and all occasions remain to be sold.

Those who attended the first day of the bazaar were impressed with the variety of articles on display, and many who were unable to attend last Friday have requested that the bazaar be reopened.

STERLING YAK HAS DIXON CLUB GUESTS

Sixteen of the Young Adult Fellowship group of the Methodist church of Dixon were entertained last evening by the YAK, fellowship club of the Fourth Street Methodist church of Sterling.

After a delicious supper, the audience was delighted by musical selections by a quartet of boys from Sterling schools, under the direction of their music instructor, William Tompkins. Tompkins also honored the group with four selections of his own. The feature of the evening was a talk by Dr. Alex Pearson of Mohne, who presented four beautitudes to success.

EVA COLE HONORED AT SHOWER THURS.

On Thursday evening, Nov. 14, Miss Mary Nagy and Mrs. Charvat honored Miss Eva Cole with a miscellaneous shower. Miss Cole's marriage to Walter Treadwell of Amboy will take place on Dec. 1. Those present at the shower were Mrs. C. C. Hintz, Mrs. Roy Clingman, Miss Estella Anderson, Mrs. Claire Beck, Mrs. B. A. Treadwell, Mrs. Vernon Pomeroy, Mrs. Howard Smith, Miss Agnes Nagy, Mrs. Delbert Pittman, Miss Ada Kirk, Mrs. L. R. Cole, Miss Mary Nagy, Mrs. Earl Charvat and the honoree. Miss Cole received many lovely gifts.

Phidian Art Club Hears Mrs. Tyler Speak on Housing

Mrs. John L. Davies was hostess to members of the Phidian Art club Tuesday afternoon at the Loveland Community House.

Miss Clara Armstrong, president of the club, presided at the business session and introduced Mrs. Cal G. Tyler, whose subject was "The House and Its Architecture."

"Women have been interested in homes since the beginning of time," stated Mrs. Tyler, who then went on to discuss the post-war housing shortage, tracing the present conditions to a period several years past.

The speaker observed that man's first shelters were not very different from those of animals. As civilization advanced, man demanded a better shelter combined with comfort, and modern life constantly calls for additional comfort in the home.

Mrs. Tyler called attention to the fact that one's home not only records his life, but also reveals the personality of the owner.

"American architecture at first reflected the styles of the countries from which the early settlers came, with no startling changes occurring until the modern trend captured the interest and imagination of home builders," continued the speaker.

She continued by saying that the most modern manifestation in home architecture is the house of circular construction which provides more space with fewer walls. Its interior is designed in the accepted style of that of a streamlined train, airplane or luxury liner, and provides high quality shelter to low income home owners.

At the conclusion of the meeting, Mrs. Davies served refreshments from a tea table trimmed in the autumn theme, Mrs. H. L. Warner and Mrs. Z. W. Moss presiding.

DINNER GUESTS
Mrs. Henry T. Noble entertained guests at dinner Tuesday evening at her home in north Dixon in honor of Miss Bess Camp of Evanston.

WAR MOTHERS
Lee county chapter of the American War Mothers will meet Friday afternoon at 2:30 o'clock for the election of officers.

JOHN TAYLOR'S 4th BIRTHDAY HONORED

Mr. and Mrs. Curtis Taylor entertained Sunday afternoon 13 little friends in honor of their son, John Marshall's fourth birthday. His birthday was Oct. 13, but illness at that time prevented his having a party. The circus theme prevailed in decorations, and prizes were given for games of ring-toss and out-of-bounds.

The children were presented gaily-decorated tissue paper clown hats as they entered the balloon-decorated play room, where refreshments were served which consisted of small cup-cakes decorated as small tents, with red and white tops supported by peppermint stick candy. Ice cream molded in the shape of clowns with cone hats also graced the table, and the large birthday cake was the "big top," complete with cookie animals, peppermint stick props and four red candles, all on a revolving platter.

The children sang "Happy Birthday" as John Marshall blew out the candles on the slowly revolving cake. Movies were shown by John's father and many lovely gifts were unwrapped. Clown-decorated noise-makers were given to the little ones as favors.

Those sharing the happy day with John were Judy Legner, Mandy MacMahon, Louise Wolf, Bruce Kingsley, Patrick Bales, Dickie Prince, Jimmy Sworn, Chuckie Warfel, Timmie Taylor, Jimmy Miley, Vickie Eichler, Stevie Rorer, and C. B. Castle. Rita Gehant, Janet Wolf, Karen Jones, Terry Lee Swanlund and Jimmy FitzGerald were unable to attend.

LITERARY CLUB IN MEETING THURSDAY

Members of the 20th Century Literary club were entertained last Thursday evening at the home of Mrs. Joy Diehl. Mrs. Russell Byers, club president, had charge of the meeting.

A letter of thanks was read from the Girl Scouts for the cash donation the club had given. Mrs. Gertrude Carpenter had charge of the program for the evening, choosing "The Story of Felt" as her topic and bringing many beautiful articles that she made, including hats, purses, jackets, etc.

Delicious refreshments were served after the regular meeting. The next meeting will be held at the home of Mrs. Clarence Sproul.

MOTHERS' COUNCIL
The Mothers' Council of the Grace Evangelical church will meet at the home of Mrs. Ralph Schroeder, 522 Second avenue on Thursday, Nov. 21 at 8 o'clock.

'New Fires' Smash Comedy Hit Slated for Friday Evening

Tuesday evening the cast of the high school dramatic club's production "New Fires" met in the auditorium for a regular dress rehearsal, and tonight will bring another last-minute runover of the script, in preparation for the presentation Friday night at 8 o'clock.

Tickets for the smash comedy hit may be obtained at the high school box office at the rates of 55 cents for adults and 35 cents for children. The student actors, the directors and various other helpers in the production have been working for considerable time on this laugh-loaded story of a city man in the hill country and have taken off the rough edges for what should be a smash hit.

Members of the stage and properties committees are rapidly finishing their work, and Jack Detzler, stage director, reports that the work on the stage properties is nearly done, complete with old-fashioned wallpaper and ancestral portraits which mark most old Missouri farmhouses.

Miss Silcroft, the new diction teacher in Dixon schools, has been directing the actors in their dialect for the play, assisting director R. F. Gale along with the assistant director Miss Charlotte Dethart.

COMMUNITY PLAYERS SEE LINCOLN DRAMA

Last evening's meeting of the Community Players turned out to be a gala night instead of just a regular meeting.

The one-act play given by The Dramatic Club of the Lincoln school, under the direction of Miss Dorothy Parkin "Is My Face Red," was presented in a masterly way. Every one of the seven young ladies did their part to perfection in the eyes of the audience.

Mrs. Emma Eichler's readings, which always please her audience, were again proved by the hearty applause she received.

The cast from the forthcoming play, "Professor, How Could You?"

gave a scene from the second act. Judging by the hearty laughs they received from the small extract of the play, the Dixon play goes have in store an evening of many laughs.

A business meeting and refreshments brought a very enjoyable evening to a close.

HIGHLAND CLUB HAS GATHERING MONDAY

Mrs. J. C. Lyons entertained the members of the Highland Avenue club at her home Monday evening. Bunco was played with prizes going to Mrs. Norman W. Dietrich, Mrs. Edward McBride and Mrs. Guy Taylor.

Four new members, Mrs. Mary Graham, Mrs. Ray McConaughay, Mrs. Mary Ortiguesen and Mrs. Adel Keyser were welcomed into the club. Mrs. Ray Curran and Mrs. E. Jurgensmeyer were guests of the club for the evening.

A delicious lunch concluded the evening's entertainment, and the club will meet again Dec. 16 with Mrs. Hazel Cashon, at which time a 50 cent exchange of gifts will be enjoyed.

Woman's Club Art Display Still in Dixon Exhibition

Many teachers, students and interested people from Dixon and out-of-town have taken advantage of the opportunity of viewing the exhibition of "What Is Modern Painting?" which will continue to be on display to the general public at the Dixon public library through Nov. 23.

This outstanding exhibition was procured by the art department of the Dixon Woman's club from the Museum of Modern Art in New York City. The exhibition consists of 14 colored panels containing reproductions of 40 well-known modern paintings.

Explanatory text on each panel gives information about the artists represented, their points of view, attempts and means of in-

terpreting ideas. The text explains evolution of phases of modern art brought about through these artists and cities their outstanding contributions to the field of modern painting.

Mrs. William W. Roat gave an accompanying talk at the preview of this exhibition at the Nov. 9 meeting of the Dixon Woman's club.

LUNCHEON PARTY
Mrs. E. H. Prince, Mrs. Herbert Nichols, Mrs. Katherine Fleming and Miss Bess Camp motored to the Pines for luncheon Tuesday.

Bobtales

By BOB FALLSTROM

FOOTBALL NOTE—The cage sport may be in vogue, but Polo fans are still digesting a highly successful grid season.

The Marcos came through with their best showing in four years this fall, copping six games, dropping one and tying one contest. Two forfeits, due to schedule mixups, unfortunately occurred, giving 'em an official 6-3-1 record. However, in actual field battles Polo was up with the best outfits in their part of Illinois.

Co-Captain George Smith, 147-pound fullback, piled up an outstanding scoring mark, denting the end zone for 118 points in eight games. Fast and shifty, with plenty of driving power to boot, Smith ran hog wild most of the time. Only Fulton and Amboy succeeded in holding him to one touchdown. His ace effort—26 points—came against Mt. Morris.

Coach Bob Breckinridge's eleven opened with a 13-13 deadlock against Stockton, trimmed Fulton, 26-6; Oregon, 19-6; Amboy, 13-9; Peatonica, 47-7; Mt. Carroll, 19-6; Mt. Morris, 33-6; and then bowed in an upset to Hononegah of Rockton, 20-18. The forfeits were charged when Polo failed to schedule Morrison and Rochelle, members of the Rock River Valley circuit. Despite these "paper defeats," the club wound up in a second place tie with Rochelle on four 149 wins.

"Polo is a light team against this year with the backfield averaging 149 yards and the line 157," Breckinridge explains. "The boys had considerable experience and played hard football. 'The reserve team won six bouts for an undefeated campaign.'"

Major monogram winners were Kenneth Dunn, Leonard Miller, Bob McPherson, Dale Maxey, George Miller, Fred Beecher, Roger Miller, Co-Captain Grant Landis, Bill Eddy, Donald Cox, Kenneth Barkey, Bob Knudson, Co-Captain George Smith, Norman Knudson, Vernon Meyers and Bill Bowers.

Those awarded minor letters are Harry Allen, Bert Beecher, John Clayton, Jim Conklin, Bill Gabor, Frank Garrison, Don Gilbert, Walter Gipe, Vernon Johnson, Robert Kiefer, Everett Kraft, Norman Messer, Ronald Messer, Bill Knowles, Eldon Forts, Fay Shugars and Harold Woodin.

Bob McPherson, a guard for the past two years, was chosen captain for next season.

DIAMOND OLD-TIMER HERE—John Misse of Highland, Kan., second baseman of the St. Louis Federal league club in 1914, visited in Dixon today en route to his home after a trip to Elgin, Ill.

While here, Misse exchanged greetings with Ward Miller, Miller was an outfielder with the St. Louis club, managed by the old-time Cub, Mordecai Brown.

Misse, now a gentleman farmer, performed in O. B. for 10 years, also playing in the Western and Pacific Coast leagues.

STERLING SIZE-UP—What's Sterling gonna have? "Not much," says Coach Curtis C. Brando.

"I'm entertaining no illusions of grandeur as to the prospects this year," the pessimist maintains. "Although ninety boys have reported, not one of 'em is a returning varsity letterman. Last year's frosh-soph and junior varsity clubs will provide the nucleus of the squad."

Last year's Blue and Gold studied rolled up 17 triumphs against five losses. Bernie Mitchell handled the coaching reins. Now Brandau is back from a four-year hitch in the navy. It isn't a very nice welcome. But with poor prospects, any successes Curt can accomplish will be so much gravy.

The Golden Warriors play 15 games this winter, eight within the NCIC. Non-conference foes include Sterling Community, Freeport, West and East Rockford.

Pete Hogeveen will work with the frosh-soph and also contribute aid to Brandau.

Curt winds up with the statement: "At this time, there is no player comment that can be intelligently given."

BYRON BOUNCES—At Byron, Coach R. T. Haselton is "Mr. In-Between," so to speak. Ready to give an opening date with Winnebago Friday, he just isn't making any predictions.

"The team will consist of seasoned players from last year, but will lack big-time experience, due to the fact that most of the boys are either off the frosh-soph club or varsity bench," Haselton explains.

"Those who are returning this year are Joe Parks, James Hendee, Forest Dewar, Richard Leary, Vernon Daters, William Ashford, William Champion, Lester Lameyer, John Castle and Francis Hogan."

Byron will be attempting to regain its 1944-1945 Route 72 conference crown. Winnebago finished first last winter as Haselton's quint slipped to a second place tie with Freeport.

Sixteen games have been scheduled, including dates with Oregon and East Rockford.

ARMY OUT; BIG NINE TO ROSE BOWL

Loops Sign 5-Year Pact at Berkeley

Berkeley, Calif., Nov. 20—(AP)—

The Pacific coast and Big Nine conferences early today signed a five-year football agreement that slammed the Rose Bowl door in anxious Army's face and probably will send Illinois—which voted against the pact—into the world's richest bowl contest Jan. 1.

Illinois, ranking fifth nationally, is the potential Big Nine (Western Conference) champion, having only to win from Northwestern Saturday to clinch the title.

Undefeated University of California at Los Angeles, No. 4 college eleven, holds the edge over the once-beaten University of Southern California, rated tenth in the national football poll, to become the host team for the bowl. The issue will be decided when the two teams clash Saturday at Los Angeles.

May See Young Again
Should U. C. L. A. and Illinois emerge as rivals in the Tournament of Roses classic the west would again see Buddy Young, fleet-footed Illinois back who starred for the Fleet City navy team on the west coast last year and for whom UCLA alumni were at one time reported bidding.

An official press release by the Big Nine-Pacific Coast negotiators made no mention of powerful Army, but the terms of the agreement left the Blanchard-Davis machine—number one in the nation—out in the cold.

Settlement of the argument over when the contract would begin prolonged negotiations into the early hours of today. Agreement was reached on all other points yesterday.

U. S. C. and U. C. L. A. were reported leading the fight to make the contract effective Jan. 2 so the winner might invite the unbeaten Cadets.

Lee Center Nips Paw Paw Cagers
Paw Paw's cagers suffered their second successive defeat last evening at Lee Center, bowing 27-24 after holding a 20-15 third quarter margin.

Lee Center's strong 12 point finish in the final stanza pulled 'em through to victory. Paw Paw could muster only four markers during the final eight minutes.

Chuck Marks caged six points for Paw Paw while Lee Center's S. Delhotel grabbed scoring laurels with five two-pointers and a free throw for 11 tallies.

The box score:

Kerz Bros. 1, High, R. & H. Toft, 430; Kerz Bros., DuBois, 472.
Howard Hahn had the high series of the night with 460 and high games were Knigge 208, Gorski 201, Hahn 238, McCordie 201.

Mac Stanley must have been rolling hot handed in the I. N. U. loop last night, for he rolled 111 and 400 to take both spots easily. Although high for her team, Elsie Hoff's scores were still low enough to give her another place in the spots in the Freeman Girls' loop. In the Vets league, Ken Johnson, who has been envious of his team-mate Glen Allen having both positions, took the series for himself last night. Although Glen still managed to cling to the other one with 104.

OHIO Nabs 44-22 Win Over Bureau
Ohio's Bulldogs opened their 1946-1947 cage season last night by trouncing Bureau, 44-22, on the Ohio hardwood.

C. F. "Pop" Hillery's basketballers opened up a 25-9 half-time lead and then poured 14 points through the hoop in each of the remaining periods to win going away.

Bob Anderson paced the winners' offensive with 10 counters on three buckets and four gitters. "Ton" Anderson, Dick Gorman and Bob Powers contributed nine points each. Dreamon caged seven markers for Bureau.

The box score:

Frank Lane Named Boss, A. A. Wheel

New York, Nov. 20—(AP)—

With the major-minor league meetings scheduled to be held in Los Angeles only two weeks away, baseball, blotted off the sports pages by the college and pro footballers, gradually is making the headlines again.

Most interesting bit of news emanated from Chicago yesterday with the announcement that Frank Lane, general manager of the Kansas City Blues and former director of the Cincinnati Reds' farm system, was signed to a two-year contract as president of the American Association.

Lane succeeds H. Roy Hamey, who recently resigned to become general manager of the Pittsburgh Pirates. He is the third association president within two years. George Trautman resigned last year to become general manager of the Detroit Tigers and was succeeded by Hamey, then president of Kansas City.

Brown to Boss Indians
Jimmy Brown, a former member of the world champion St. Louis Cardinals, was appointed manager of the Indianapolis Indians in the American association. He succeeds B. Burwell Brown played last year with the Pittsburgh Pirates, who have a working agreement with the Indians.

A couple of well known diamond notables, Warren C. Giles and Gerald P. Nugent, took over new jobs. Giles, general manager and vice president of the club by the board of directors. He succeeds Powell Crosley, Jr., principal stockholder and chairman of the board. Nugent, former head of the Philadelphia Phillies, was appointed president of the Class B Interstate league. Nugent succeeds J. Vincent Jamison, who resigned after completing the unexpired term of Arthur H. Ehlers.

Joe DiMaggio, Yankees' star outfielder has burst in each shoulder and an ailment in one of his heels. DiMaggio, a native of California, is spending the off-season in New York taking treatments from a local doctor.

HOW'S THAT AGAIN?
Williamsburg — (AP) — Bob Cheves, head football coach of the Fort McClellan, Ala., Riflemen, is a hard man to convince. His soldier footballers lost a 61-0 game to William and Mary. Cheves' comment:

"William and Mary isn't as good as I thought they'd be or had heard they'd be."

GOOD MAN TO HAVE
Williamsburg, Va. — (NEA) — Top ground gainer in the nation is William and Mary's Tommy Kozowski with an average of 19.7 yards per carry in six games.

SPECKLED GRIDDERS
State College, Pa. — (NEA) — Three Penn State football players—two backs and a lineman—wear contact lenses while playing.

The University of Notre Dame was founded in 1842.

NO SHORTAGE HERE
Greenville, S. C. — (AP) — Meat shortages here and there fail to worry Furman University's football team. On the road the squad is accompanied by a couple of head-high stacks of steaks from its spacious frozen food lockers.

The ten high averages in the Classic league tonight:
22 W. Worley 196
Flash Forham 187
John Smith 185
Bob Hoyle 184
Vait Klein 182
Joe Miller 181
Avon Eckert 159
John Lange 159

Taylorville Seeks Match with Dixon

The varsity squad, 16 strong, went through a long offensive scrimmage in the initial contact workout since practices began after book hours yesterday.

Those still in contention for berths on the No. 1 team are Bryan Cannon, Carroll Schumacher, Ed Enichen, Loren Munson, George Wallace, Joel Lehman, Bill Reigle, Jack Schultz, Mike McDonald, John Eckart, Lou Jones, LaVere Keeney, Ken Naffziger, Jim McMillion, George Karydes and Jack Lear.

Meanwhile, Coach Lee Davison awaited word from Carbondale high school regarding a Christmas vacation game at the local gym. The southern Illinois school is scheduled for a northern trip, over Christmas, playing Freeport and Belvidere.

A possible Dec. 23 contest here with Taylorville was revealed by Davison. Taylorville, in this part of the state for a Dec. 21 scrap with DeKalb's Barbs, was anxious to meet Dixon Dec. 20. However, the Purple entertains Hall Township in a NCIC match that night. The coach expressed hope Taylorville would accept the Dec. 23 bid.

Along the same lines, "The Lip" ruled out the possibility of games with Kewanee and Rock Island. Both schools have completed schedule arrangements. They may be receptive next year, though.

Parents O. K. Rules
Another development occurred Monday evening when Davison called an unprecedented caucus of all players' parents. After outlining his program and explaining training rules and regulations, he received the unanimous "go ahead" signal from the mothers and fathers.

On the freshie front, Assistant Coach Paul Hammersmith is drilling a group of 18 first-year boys: Doug Needham, Duane Marcum, Carlton Routh, Gabriel Santos, Jack Pinkston, Walt Lohse, Robert Beede, Don Syroul, Ray Baker, Dick Kelley, Lou Hansen, Paul Arnold, Dave Kirk, Phil Kery, Gene and Ray Carlson, Faye Lightning and Dick Dusing.

Jenner of Indiana Back in Familiar Role as a Senator

Newcomer Formerly the Majority Leader in Hoosier State

Indianapolis—(AP)—Indiana's new Republican senator, William E. Jenner, has had considerable experience in a legislative body controlled by his party when the chief executive was of the opposite political faith.

Thirty-eight-year-old Jenner was majority leader in the state senate when a Democrat was governor in 1941. He pushed through a "ripper" program aimed at stripping the governor of almost all of his executive power, but it was invalidated by the state supreme court.

Eleven years ago, as a freshman senator, Jenner led the attack on the administration of Gov. Paul McNutt, his one-time law professor at Indiana university. Quick-tempered and dynamic, he once tossed a heavy law book across the state senate chamber at a Democratic antagonist.

Stopped Only Once
Re-elected to the senate in 1938 he advanced to majority leadership in 1941. He suffered his lone political setback in 1940 when a state convention rejected his bid for the governorship nomination. Entering the army in 1942, he was sent to a hospital two years later with a serious eye infection. While still a patient he was nominated in 1944 for a short term in the U. S. senate, filling a vacancy caused by the death of Democratic Senator Frederick Van Nuys Jenner, captain in the air forces at the time, was elected by a 81,000 plurality.

After two months in Washington, he came back home to serve as legislative liaison man for the newly elected Gov. Ralph F. Gates. At the end of the session Jenner was rewarded by being named state chairman.

He resigned in March of this year to seek the GOP nomination for senator against Raymond E. Willis.

Forces Willis Out
Willis had faithfully followed the straight Republican line during his six years in Washington and wanted to succeed himself. But Jenner held binding commitments from the powerful state organization. Shortly before convention delegates began their voting, Willis withdrew Jenner smothered his only opponent, Rep. Charles M. LaFollette of Evansville.

Jenner campaigned largely in generalities and did not attack his Democratic opponent, former Governor M. Clifford Townsend. He stumped the state from Lake Michigan to the Ohio river. He spoke sixty times, criticizing the Truman administration, assailing communism and calling for a repudiation of new deal policies.

Jenner's platform technique is a mixture of colloquialism and razor-edged sarcasm.

Against the advice of older party heads, he spoke out two days before election against government by "pressure groups." He asked labor to abandon its policy of "rewarding its friends and punishing its enemies solely on the basis of their votes on labor legislation." His campaign speech left the way clear for him to vote for almost any labor control legislation.

Married and the father of a four-year-old son, Billy, the senator-elect and his strikingly attractive blond wife, Janet, live in Bedford.

Surplus Buildings Go To Schools With Vets

Washington, Nov. 20.—(AP)—The Federal Works Agency has announced allocation of surplus government buildings to educational institutions to provide for housing of more veterans.

The allocations included furniture and equipment as may become available to accommodate an anticipated increase at Aurora college, Aurora, Ill. With present facilities the school expects 600 students, including 375 veterans. The additional number who may be accommodated was not determined.

CONSEQUENCE OF FOLLY
La Fayette, Ind.—The New Dealers retained OPA rent controls in order to get votes. Low rentals discouraged new building. The New Dealers lost the votes and now the GI's have no place to sleep.

Truman Vacations in Florida

President Harry Truman, accompanied by Rear Admiral C. W. Styer, right, makes an informal tour of the Key West, Fla., U. S. Naval submarine base. He is expected to spend much of his one week holiday recovering from a cold he contracted on his recent visit to Missouri to vote in the general election.

Franklin Grove

Mr. and Mrs. Glenn Slaybaugh and son, Robert, of Rockford spent Sunday afternoon with Rev. and Mrs. S. L. Cover.

Mr. and Mrs. A. E. Gemmer and son of Pontiac, Mich., were weekend guests in the home of Mr. and Mrs. Chas. Schmucker and family.

George Ives, III, has been ill the past week. However, his parents report nothing serious and he is better now.

Mrs. Ethel Miller and her sister, Miss Fern Lott, spent Sunday in Ottawa, Ill., at the home of her daughter and son-in-law Dr. and Mrs. Raymond Patterson.

Lowell Trottnow has been mail carrier the past week for Arthur Watson, who was taking a vacation.

Tom Good of Columbus, Ohio, is visiting at the home of Mr. and Mrs. Edward Blank.

The Franklin Grove fire department was called to the Ward's filling station Saturday where they put out a fire that started in a car.

On Sunday they were called to the Oscar Pick home at the west edge of town where a roof fire had started. Not much damage was done to the house.

Mrs. W. L. Moore and her mother, Mrs. Annis Roe, spent last Thursday afternoon and evening at the Bert Vogler home.

Mr. and Mrs. Chas. Wicker have rented the apartment in the home of Mrs. Rose Lookingland and are moving their furniture there.

Wedding Invitations
Wedding invitations are being mailed by Mr. and Mrs. Ralph Conode for the marriage of their daughter, Jacqueline June, to Robert L. Gillian, U.S.N., on Saturday evening, November 30, at the Methodist church at Franklin Park, Illinois.

Mr. and Mrs. Arthur Schafer and children were Sunday dinner guests of her brother and family. Mr. and Mrs. Arthur Schick of Sterling, Ill.

Birthday Dinner
Mr. and Mrs. Leland Blocher entertained last Wednesday evening in honor of Mr. Blocher's

MAN RAISES HIS ARMS ABOVE HIS HEAD FOR FIRST TIME IN YEARS

A few days ago a man said the rheumatic pains in his arms and shoulders disappeared and now he can raise his arms above his head for the first time in years. He said the pains he used to have from this rheumatism were simply awful. Sometimes his knees and hips were stiff and sore, but the pains were mostly in the back of his neck and across his shoulders. Now, however, his suffering is entirely gone and he says the change is due to taking RHU-AID. "Oh! What relief!" states this man. "Why don't other rheumatic sufferers get RHU-AID?"

RHU-AID is a new formula it contains Three Great Ingredients, so it is almost like taking three medicines in one. It goes right to the source of rheumatic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get RHU-AID. Sold by All Drug Stores here in Dixon.

Playing Safe

Topeka, Kan.—(AP)—S. D. Flora, federal meteorologist for Kansas, confessed that he always has an umbrella in his office. He told a Topeka civic club that the safeguard was "just in case my prediction for fair weather goes wrong". The forecaster said he received the idea on a visit to Eau Claire, Wis., where he was the chief of the weather bureau. "He also keeps an umbrella on hand", Flora added.

baugh of Bethany Seminary in Chicago will again be the speaker on Saturday night at 8 o'clock, on Sunday morning at 10:30 and Sunday evening at 7 o'clock. If you would like a few days Bible study, make it a point to attend these sessions. All are welcome. Sunday School at 10:30. Choir practice on Wednesday evening at 8 o'clock.

Presby. Church
On Thursday afternoon the Presbyterian Aid society will meet at the church. Mrs. Jennie Dockery, Mrs. Marjorie Roop and Mrs. William Halley are hostesses.

The Tuxis group will meet at 7:45 p. m. at the church. Reports will be given on the meeting last Sunday at Rock Island.

The Ever Ready Sunday School class will hold their meeting Friday, Nov. 22. All will attend the Senior class play at the gym and then go to the church for their business meeting and refreshments.

There were eight present last Friday p. m. at the church to make plans for the missionary meeting for the coming year. This group are the secretaries of the different branches of missionary work from the Presbyterian church in Franklin Grove. This was the "annual retreat." After the business of the day refreshments were served at Mable's lunch room.

Lutheran church services next Sunday morning at 8:45 a. m. Sunday school at 9:30. Rev. F. W. Henke, pastor.

Lutheran Aid Society
The Ladies Aid Society of the St. Paul's Lutheran church met at the home of Mrs. Arthur Schafer on Nov. 13th, 1946.

The devotions consisted of the singing of a hymn, scripture reading and prayer led by Rev. F. W. Henke. The Missionary lesson was titled "Japanese American"—"Give ye them to eat" (Matthew 14:16). Rev. Henke led in the discussion of the lesson. Miss Adella Helmershausen gave the Bible study (Psalms 103).

A business meeting followed. The secretary read the minutes of the last meeting. The treasurer gave her monthly report. Miss Cora Schafer gave a very interesting report on the national convention of the Women's Missionary Federation which was held at Minneapolis, Minn., from Oct. 29 to Nov. 1. Mrs. Robert Wadsworth invited the Aid to her home in December.

A motion was made for adjournment and the meeting was closed by all praying the Lord's Prayer and the benediction by Rev. Henke.

Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your drug store and ask for four ounces of liquid Rennel Concentrate. Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonsful twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloat disappears—how much better you feel. More alive, youthful appearing and active.

PETTENGILL

"The Gentleman from Indiana"

INSIDE YOUR CONGRESS

Biggest landslide except in a depression year.

Dewey got the biggest majority, within 50,000 of Roosevelt's best plus. But New York has the largest population. In proportion to total votes, Bricker in Ohio, Martin in Pennsylvania, Vandenberg in Michigan, and Lodge in Massachusetts did better than Dewey.

There may be others. Two brothers were elected the same day, Lodge to the senate from Massachusetts and Lodge to the house from Connecticut (succeeding Clare Booth Luce). There are two more brothers in congress, Max Schwabe from Missouri and George Schwabe from Oklahoma.

Truman purged slaughter in the primaries in favor of Axtell. Then the G. O. P.'s purged Axtell. He slaughters best who slaughters last!

The man who defeated May in Kentucky never mentioned the Garsons.

Arch-interventionist, Emily Taft Douglas was defeated by arch-isolationist, William G. Stratton.

The combination that kept Bilbo and Marcantonio on the same team couldn't last. It lacked the master's touch.

Marcantonio thugs beat a G. O. P. worker to death in New York. Just as they do behind the "iron curtain."

The myth that the labor vote can be "delivered" is busted again. Look at Pittsburgh, De-

troit, Boston! Jersey City had the thinnest Democratic margin in twenty-five years. Chicago elected five new G. O. P. Congressmen.

Labor is against forming a labor party. The biggest number of wage earners think unions should keep out of politics. Among Democrats, a poll shows that 43% would vote against anyone endorsed by the C. I. O.-P. A. C.

According to the Dunn Survey, of the members of congress who voted for the Case bill (vetoed by Truman), 217 were elected, 4 defeated. Of those who voted against the Case bill, 96 were elected, and 41 defeated. Members of congress who had outright opposition of C. I. O.-P. A. C. elected 140, defeated 3.

"Nuff sed!" Labor bosses can't expect Washington politicians to bail them out anymore. The only legal tender on Capitol Hill is votes. The votes weren't delivered.

Soothsayer Wallace has gazed in the crystal ball. He says it says: "There isn't a ghost of a show for a progressive winning in 1948."

Moscow's first attempt to elect congressmen was vetoed by U. S.—us. Molotov, please note!

Look for a 10% cut on individual income taxes. Prices have gone to work. When prices are scarce, prices signal for more production. When the mar-

Chest Colds
To Relieve Misery
Rub on Tested
VICKS
VAPORUB

ket is glutted, prices tell producers to make or grow something else. Prices are the consumer's daily town meeting.

Good riddance to black marketeers. Look for a rapid decline of bottlenecks. It won't be long before you can buy some nails! Things made of metal, automobiles, etc. will rise for a while. But food and textiles will be cheaper. Look for bargain sales by January in many lines.

Give us volume production, a competitive market and an armistice from strikes.

Why did the administration fail to grasp public opinion? My answer: Because it was so busy trying to manufacture opinion. Its own noise made it deaf.

You have to hand it to Harry Truman. His post-election statement was that of a genuine American—the kind of a loser who wheels the winner around the court house square and takes the jollying with a grin. As long as we have that spirit, dictators will never tread our soil.

SAMUEL B. PETTENGILL.

New Men's Suits to Feature Broad Chests

Chicago, Nov. 20.—(AP)—A Champaign tailor says the 1947 trend in men's suits at the University of Illinois is toward draped shoulders and loose fits "to get away from that Chicago look."

A New York exhibitor at the Illinois men's apparel club show said broad chests and shoulders and snug hips were the coming thing for men, but most clothiers said that regardless of style, men probably would "take what they can get, and be lucky to get that."

One hatter showed a line of lids in bright pinks and yellows, and there was a large exhibit of stuff to give that masculine smell.

Average per capita income in the United States in 1940 was \$372 per year. In 1945 it was \$1,158.

Forces of Attraction
Hold the Moon "Up"
in the Sky.... and
OIL-PLATE
Your Engine!

THE moon isn't really "up" in the sky, but it is held from flying off into space by gravitational attraction between it and the earth.

Through tireless explorations in realms of molecular attraction, Conoco chemists have been able to bring America the benefits of new and better oils. In fact, by employing the force of molecular attraction they are able to bond a special ingredient in Conoco Nth motor oil to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

And because molecular attraction holds Conoco OIL-PLATING up where it belongs . . . prevents it from all draining down to the crankcase, even overnight . . . you get these benefits:

- added protection during the vital periods when you first start your engine
- added protection from corrosive action when your engine is not in use
- added protection from wear that leads to fouling sludge and carbon
- added smooth, silent miles

That's why you'd be safer to OIL-PLATE your engine now . . . at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Company

FPC Ends Hearing on Natural Gas Tiff

Washington, Nov. 20.—(AP)—A Federal Power Commission hearing on emergency regulations to avert an acute natural gas shortage in eight states ended early today.

Examining Edward Marsh, closing the week-long hearing at 11:10 p. m. (CST) said the commission might issue by December 1 an order intended to assure a maximum supply during the winter. He allowed attorneys in the case until Nov. 25 to file supplemental statements.

The protests came from wholesale companies in Texas, Oklahoma, Michigan, Ohio, Kansas, Missouri, Indiana and Illinois which buy fuel from Panhandle for resale.

Attorneys for Panhandle contended that sharply increased use of gas by householders and other since prewar days made shortages inevitable.

The pipeline company has applied for authority to increase its capacity of approximately 400,000,000 cubic feet a day by 90,000,000 cubic feet. This could not be done, however, in time to help the situation this winter.

Agreeing to some curtailment but opposing any "discrimination" as between large and smaller wholesalers were Freeman T. Eagon of the Ohio Fuel Gas Company, William A. Dougherty of the East Ohio Gas Company, and Park Chamberlin of the Michigan Consolidated Gas Company.

These big firms purchase only a portion of their huge requirements. Speaking for a group of smaller companies, E. S. Hight, assistant to the president of the Illinois Power company, also opposed penalty provisions beyond the Gas act and urged the commission to give all interests an even break.

More Turkeys With More Meat Planned

Springfield, Ill., Nov. 20.—(AP)—More turkeys with more meat on them were in prospect for Illinois today as the state-federal agriculture departments reported that more than half of the state's crop of 1,230,000 birds would be marketed before Thanksgiving.

The crop is the largest in Illinois history exceeding last year's previous record of 1,118,000 by 10 per cent.

Growers indicated they intended to market 57 per cent by the end of this month, 33 per cent in December and 10 per cent in January or later.

J. H. Jackson, agriculture statistician, said growers were developing the "brood-breasted type of turkey," a bird with a rounded rather than a pointed breastplate thus providing more meat.

Higher prices, Jacobson said, probably acted as an inducement for growers to raise larger crops. "One man near Athens (in Meridian county) is advertising 8,000 turkeys," he added.

Large crops also were reported at Havana and DeKalb.

State Hospital Fugitive Surrenders in Loop

Chicago, Nov. 20.—(AP)—Mrs. Leona Nielsen, 41, an escapee from the Alton state hospital, was back in custody today after surrendering to Chicago police at a downtown intersection.

Mrs. Nielsen was committed to the hospital after trying to shoot the former state director of public welfare in 1942. She informed the present director, Cassius Poust, in Springfield last week that she would be on the corner of Madison and Dearborn streets late Tuesday afternoon. Detectives met her there yesterday.

She told detectives she would like "to get herself cleared." She escaped from the hospital March 26 and said she had been living in Chicago since.

A widow with four children, she tried to shoot Rodney H. Brandon, former director of public welfare, at the Chicago office in 1942. Brandon told police then the attempt failed because a loaded pistol failed to fire. Police said Mrs. Nielsen had been brooding over

Mechanic, 2 Negroes Face Murder Charge

St. Louis, Nov. 20.—(AP)—A 37-year-old white mechanic and two Negroes faced murder charges today in connection with the slaying of the mechanic's semi-invalid wife in their home while her two children lay in an adjoining bedroom.

The charges were filed yesterday after a coroner's jury heard testimony that the mechanic, Emil Hutzel, had proposed marriage to a 21-year-old girl, Virginia Atkinson, previous to his wife's death.

Hutzel testified that Thad Crawford, 30, a Negro, and Mrs. Alma Mackey, also Negro, were with him the night of the slaying. He said he paid Crawford \$150 to put Mrs. Hutzel "out of misery."
